PART I

Day 1

TEXTBOOKS

We have been finding textbooks left throughout the school and in the lost and found. Students, please be aware that each book is worth roughly \$100 and if you lose a textbook you will be responsible to pay the replacement cost. Take good care of your books!

GAMERS' CLUB

A new Gamers list was posted. If you were on the waitlist, please check to see if you now have an assigned spot for January.

LIBRARY

Congratulations to COREs 601 and 608 for having the shortest overdue lists at the end of school yesterday. Ten food items will be delivered to each class to add to your Canned Food collection. A friendly reminder for all students to return their overdue books before tomorrow.
