

MOUNT SLESSE MIDDLE SCHOOL

General Student Supply List

The items listed below are considered basic equipment for grade 6-8 students. At any time during the year, we hope for students to have these basic supplies. For items that tend to get lost, such as pens and pencils, consider sending a few to school and keeping some at home for when they are needed. ***Students may be given additional subject or teacher-specific requirements to add to this list by their teachers in the first few days of September.***
